

Is raw power all you need to build an enterprise-class solution? Unfortunately, that's all that some servers offer. So consider the HP advantage: the most powerful machine around— the lightning-fast HP 9000 V-Class Enterprise Server with 64-bit PA-RISC and new Hyperplane Technology... plus the advanced features for resilience, integration, security and management with HP-UX, HP's enterprise class operating environment... plus mission-critical services that are planned, designed, and delivered to ensure your multivendor environment is available on a global, 24x7 basis... plus enterprise class storage technology! It's a total enterprise solution. See for yourself at www.hp.com/go/9000servers **Capitalize on chaos.**
